

PROFILE

Master's candidate in International Trade & Business at ESIC Madrid, working across European and MENA markets in four languages (EN/FR/ES/AR). Founder and operator experience scaling products across borders — from launching an EdTech to 25,000+ users in 5 days to consulting for clients in the UAE and Algeria. Full EU work rights, based in Madrid.

EXPERIENCE

- Valtier Real Estate, Madrid

May 2026 — Present

Business, Marketing Strategy & Operations Intern

—Driving business and operations optimization for a luxury real estate agency — building automation systems, AI-assisted workflows and performance dashboards to support strategic decision-making.

—Supporting performance marketing and client-facing design to improve growth and efficiency.
- A9RA

Jan 2024 — Present

Co-founder

—Executed the go-to-market strategy that acquired 25,000+ users within 5 days of public beta launch.

—Built the investor pitch deck and financial projections for the pre-seed round; ran competitive landscape analysis to identify EdTech market gaps.
- Moustachir

Dec 2025 — Present

Lead Product Designer

—Leading the strategic redesign of Moustachir V4, transforming the product into the region's first fully integrated digital consulting marketplace.
- Ruina Studio (UAE) & Itihad Group

2022 — 2023

Consultant

—Delivered business development, marketing and UX consulting for clients across the UAE and Algeria.
- Valuation Models Research

2024 — 2025

Research Analyst

—Developed valuation frameworks for Algerian startups by adapting established models to the emerging-market context.
