

PROFILE

Growth-minded operator who turns strategy into measurable acquisition. Co-founded A9RA and executed the go-to-market strategy that brought 25,000+ users in five days; now supporting performance marketing and operations at Valtier Real Estate in Madrid while completing a Master's in International Trade & Business at ESIC.

EXPERIENCE

A9RA Jan 2024 — Present

Co-founder

- Executed the go-to-market strategy that acquired 25,000+ users within 5 days of public beta launch.
- Built the investor pitch deck and financial projections for the pre-seed round; ran competitive landscape analysis to identify EdTech market gaps.

Valtier Real Estate, Madrid May 2026 — Present

Business, Marketing Strategy & Operations Intern

- Supporting performance marketing and client-facing design to improve growth and efficiency.
- Driving business and operations optimization for a luxury real estate agency — building automation systems, AI-assisted workflows and performance dashboards to support strategic decision-making.

Positive Agency Feb 2025 — Oct 2025

Product Designer

- Designed brand identity and landing pages, including Positive Agency's own brand and conversion-focused client sites.

Hexace Aug 2024 — Feb 2025

Product Designer

- Analyzed competitors and researched markets to shape design strategies for clients.

Ruina Studio (UAE) & Itihad Group 2022 — 2023

Consultant

- Delivered business development, marketing and UX consulting for clients across the UAE and Algeria.
